

ASU CSW/SC Professional Development Conference 2017

Registration Catalogue

Conference Information:

The ASU CSW/SC Professional Development Conference 2017 is hosted by the ASU Commission on the Status of Women and the ASU Staff Council. This year's conference is scheduled to take place on Wednesday, October 4th at the Downtown, West and Polytechnic Campuses, and on Thursday, October 5th at the Tempe Campus. The conference will run from 8:30AM-3:30PM on both days. Webcast options are also available for some sessions held on October 5th.

The conference is open to *all* current ASU faculty, staff and students – and attendees may attend programs at any of the four campuses. Most importantly, the conference is completely free of charge to all attendees. Per SPP 601, supervisors and employees are encouraged to work together to identify reasonable work modifications to allow the employee to attend conference workshops, without negatively impacting service.

Registration Instructions & Important Notes

- To register for a session, click on the corresponding Registration Link located in the catalogue
- **Use Your ASU Email Address for Registration:**
For your registration via EventBrite, you will need to provide your name, ASU email address, title, unit, and campus. *Be sure to provide your ASU email address. All registrations with non-ASU email addresses will be cancelled.* Please note that due to system changes, EventBrite may require you to set up an account. This account can be used to track all of your registrations.
- You will need to submit a registration for each session that you wish to attend. You will receive an email confirmation for each registration. Please retain all registration confirmations for your records and bring a copy of your conference schedule to the event. We will not have access to your registration on the day of the conference.

Other Notes:

- **OPEN ATTENDANCE:** Registrants may attend workshops at any of the ASU campuses and on both conference days if they would like.
- **WEBCAST:** Some workshop sessions this year will be webcast from the Tempe campus via ASU live. If you would like to watch a webcast of a live session, you will need to register for the session. Be sure to utilize the special webcast link provided. You will be provided with instructions and workshop materials the day before the session.
- **NO COST:** The conference is completely free of charge and is open to all current ASU staff, faculty and students.
- **CONCURRENT SESSIONS & 2 HOUR SESSIONS:** At Tempe, there are concurrent sessions going on at the same time, and some sessions are two hours in length. Please register for only one session per time block, so that you are not registered for multiple sessions going on at the same time. During a system sweep, if you are registered for multiple sessions scheduled at the same time, all of your registrations for that time block will be cancelled.
- **CANCELLATIONS:** If you are unable to attend a session, please cancel your registration via EventBrite or by emailing asucsw@asu.edu to cancel your registration. In your cancellation email provide your name and what sessions you are cancelling. **Registration cancellations must be submitted by September 27th.**
- **QUESTIONS:** If you have any questions regarding the registration process, please email asucsw@asu.edu or contact Karen Engler-Weber, Program Director for the Office of the Provost at Karen.Engler@asu.edu
