All ASU students are invited to the Live @ Generator Labs event series, held in the Generator Labs space within the Ira A. Fulton Schools of Engineering. The Thursday night series hosts guest speakers and gatherings that help students to develop an entrepreneurial mindset and skillset.

Guest speaker entrepreneurs are interested in sharing their tips and tricks with you. Don't miss the opportunity to mix and mingle with other students who want to know more about the world of entrepreneurship and innovation.

**Please register for every date you plan to attend the Live @ Generator Labs event series.**

If you have any questions regarding the events or if you are unable to attend an event you've already registered for, please email our Generator Labs staff at [genlabs@asu.edu](mailto:genlabs@asu.edu).
