PRESENT

*WHEN LAWYERS AND ENGINEERS COLLIDE –
THE RESOLUTION OF TECHNICAL / SCIENTIFIC BASED DISPUTES*

THURSDAY, MARCH 31, 2011, 2:00 – 4:00 pm

Great Hall
Arizona State University Sandra Day O'Connor College of Law
Reception to follow

Technology / science based legal disputes present a number of unique complexities and impediments to settlement. Come hear our panel of technology and ADR experts identify and discuss strategies to overcome these barriers and move the parties to resolution. Topics include:

- The technical dispute - Why ADR and not a trial to the court
- How to demystify the technical issues
- Dueling experts and how to move forward
- Getting through governmental and regulatory road block
- Achieving consensus through public participation and facilitation

This forum is a must for litigators and neutrals, as well as intellectual property, environmental, eCommerce, biotechnology, energy, telecommunications, technology, transportation and construction lawyers
