CUSTOMER SERVICE
Recognizes outstanding customer service and a positive attitude that has enabled increased productivity in their unit or for the Fulton Schools.

TEAMWORK
Recognizes a team that strives for the highest possible standards and distinguishes themselves by exemplifying teamwork, communication and positive interaction.

FULTON DIFFERENCE AWARD
The excellence award, now known as the Fulton Difference Award, honors the invaluable contributions of full-time, supervisory staff.

ACHIEVEMENT
Recognizes an individual who reaches beyond defined responsibilities to pursue external opportunities for personal improvement or to the benefit of the Fulton Schools or the community, and through whose efforts enhances the performance ability or the standing of the Ira A. Fulton Schools of Engineering.

INNOVATION
Recognizes an individual who has been instrumental in the creation of new ideas or processes that add value to one of the six schools or to the Fulton Schools as a whole.

MENTORING
Recognizes an individual who is a source of encouragement and momentum for continued learning and service, and has a commitment to help others discover a sense of satisfaction and professional growth.

PERFORMANCE
Recognizes an individual who is distinguished by outstanding contributions and performance in the support of academic or administrative efforts.

ACHIEVEMENT
Recognizes an individual who reaches beyond defined responsibilities to pursue external opportunities for personal improvement or to the benefit of the Fulton Schools or the community, and through whose efforts enhances the performance ability or the standing of the Ira A. Fulton Schools of Engineering.

INNOVATION
Recognizes an individual who has been instrumental in the creation of new ideas or processes that add value to one of the six schools or to the Fulton Schools as a whole.

MENTORING
Recognizes an individual who is a source of encouragement and momentum for continued learning and service, and has a commitment to help others discover a sense of satisfaction and professional growth.

PERFORMANCE
Recognizes an individual who is distinguished by outstanding contributions and performance in the support of academic or administrative efforts.
