ASU CSW/SC Professional Development Conference October 27th Online & October 28th In-Person at Tempe Sneak Peek at Offerings

Planning is well underway for the 14th annual ASU CSW/SC Professional Development Conference. This year's conference presents a mix of online and in-person workshops. On Wednesday, October 27th, all conference sessions will be hosted on-line. On Thursday, October 28th, all conference sessions will be hosted in-person at the Tempe campus. Many workshop sessions will be offered on both days.

We will also host our annual conference luncheon featuring this year's keynote speaker Grace O'Sullivan, Vice President for Corporate Engagement and Strategic Partnerships!

On this year's schedule, you'll find many exciting sessions designed to help you navigate and succeed in our new normal environment. Over sixty different sessions!

Registration for the conference will open mid-September. Mark your calendars and make arrangements to attend! This conference is free and is open to all ASU faculty, staff and students. It is the largest university-provided development conference in the nation!

Updates on the conference, including first access to registration is provided to members of the CSW listserv. If you aren't on the list, email "JoinCSWList" to asu_csw@asu.edu
