

# Free Professional Clothing Library

In need of some professional clothing for an upcoming conference, interview, or other professional occasion?

Dr. Sydney Schaefer (Assistant Professor, SBHSE) has curated an on-campus 'library' of professional clothes that is available to loan to students within the SBHSE program at no cost. Currently, this closet is stocked with women's clothing (tops, bottoms, suits/sets, dresses and shoes).

To learn more about how to check out clothing, contact her research lab at [mrlab@asu.edu](mailto:mrlab@asu.edu)
