

GRAND CHALLENGES SCHOLARS PROGRAM

GRADUATE SHOWCASE

FRIDAY, MARCH 22, 2024

MU 220 TURQUOISE 4PM - 6PM

Join us to meet our 2024 Grand Challenges Scholars, recognized by the National Academy of Engineering, and celebrate their accomplishments.

Learn how they developed and applied their technical talent, interdisciplinary perspective, entrepreneurial mindset, multicultural awareness, and social consciousness to address challenges in Health, Security, Sustainability, and Joy of Living.

Event will include brief presentations followed by a poster session.
