The Gerald T. Heydt Scholarship in Electric Power Engineering

The Gerald T. Heydt Scholarship in Electric Power Engineering is a scholarship for EE graduate students with the objective of encouraging US students to pursue careers in electric power engineering. Applications for the scholarship are invited by June 1, 2024.

Eligibility

Eligible students shall be US citizens or permanent residents. To receive the scholarship, the recipient must be in the electric power program in the School of Electrical, Computer and Energy Engineering at Arizona State University, or a successful applicant for admission to that program. MSE, MS and PhD students / applicants are eligible. Previous winners and previous applicants of the scholarship are eligible.

Basis for the selection of recipients

The eligible applicants for this scholarship shall be assessed on the following bases to determine the recipient:

- Academic performance (both undergraduate and, if applicable, graduate performance)
- Commitment to electric power engineering
- An assessment of a one page (maximum) essay which addresses “my future goals and career objectives in electric power engineering”. The essay should contain a statement of the applicant’s interests within power engineering. In the one page essay, please include a statement of where you completed university education to date.

How to apply

Eligible scholarship applicants shall be identified among the admission applicants and present students in the MSE, MS or PhD programs in the School of Electrical, Computer and Energy Engineering at Arizona State University. The identified persons are invited to submit an application for this scholarship – simply the essay cited above.

Eligible scholarship applicants who are already in the MSE, MS or PhD programs in the School of Electrical, Computer and Energy Engineering at Arizona State University may initiate their application for this scholarship by submitting the essay cited above.

The essay submitted is due on June 1, 2024. An announcement of recipients is expected by about June 30, 2024. Please submit your essay by email directly to Dr. Heydt at heydt@asu.edu You may submit your essay before the due date if you wish.
