

# Undergraduate Teaching Assistant (UGTA)

**NOW HIRING (Fall 2024)**

## ABOUT THE PROGRAM

UGTAs in Fulton Schools of Engineering must have earned a minimum grade of B in the course they are applying to support. This opportunity is exclusively for Fulton undergraduate students.

## WHY BE A UGTA?

UGTA's work **5 hours/week** to support a Fulton course. Students will receive a stipend at the end of the semester:

- \$1,200 (Session C)
- \$600 (Session A/B)

### **LEADERSHIP SKILLS**

UGTA's are responsible for working with students in class, facilitating group discussions, encouraging student engagement, meeting with students, providing guidance on assignments, and leading class activities.

### **ACADEMIC KNOWLEDGE**

UGTA's will expand their academic knowledge by participating in moderate lesson planning, leading study and review sessions, and engaging in comparative reflection with students.

### **NETWORK BUILDING**

UGTA's will have the ability to connect and build relationships with Fulton faculty members, and academic and professional resources.
